INTRODUCTION

1.1. Background

As a form of the commitment of the Company to implement healthy and ethical business practices in carrying out undertakings and business activities, the Company implements Good Corporate Governance consistently. The Company prepares and establishes Good Corporate Governance Guidelines as the Company's governance standards.

Good Corporate Governance Guidelines originate from the culture of the Company which is the basis to ensure that every policy of the Company is in accordance with the principles of Good Corporate Governance, while its implementation will be outlined in the Company's policies, the Charter of the Board of Directors, Charter of the Board of Commissioners, Code of Ethical Conduct, and other guidelines related to the implementation of Good Corporate Governance. The Company considers it is important to prepare Good Corporate Governance Guidelines to be implemented consistently and sustainably in all lines and aspects

PT Semen Indonesia (Persero) Tbk. South Quarter Tower A Lt. 19-20 Jl. RA Kartini Kav. 8, Jakarta Sera 2000 is 98 million is 1, +62 21 5261174-5 f. +62 21 5261176 www.sig.id

of the business management of the company in order to realize Good Corporate Governance practices.

1.2. Objective

The purpose of preparing Good Corporate Governance Guidelines is

- 1. to optimize the value of the Company so that it has strong competitiveness, both nationally and internationally, so that it is able to maintain its existence and be sustainable in achieving the Company's purposes and objectives;
- 2. to encourage professional, efficient, and effective management of the Company, as well as empower the functions and increase the independence of the Organs of the Company;
- 3. to encourage the Organs of the Company to make decisions and carry out actions based on high moral values and compliance with the provisions of the laws and regulations, as as awareness of the existence well of corporate social responsibility towards the Stakeholders and environmental sustainability around the Company;

PT Semen Indonesia (Persero) Tbk. South Quarter Tower A Lt. 19-20 JI. RA Kartini Kav.

62 21 5261174-5 f. +62 21 5261176 www.sig.id

The Good Corporate Governance Guidelines are prepared as a guide for the Company and all Personnel of the Company in carrying out activities and connecting with the Stakeholders, in accordance with the Articles of Association of the Company and/or the applicable laws and regulations.

Subsidiaries are obliged to prepare Good Corporate Governance Guidelines in line with the Parent Company's Good Corporate Governance Guidelines.

1.4. Principles of Good Corporate Governance

The application of Good Corporate Governance in the Company is based on the principles consisting of

- transparency, means the openness in carrying out the decision-making process and openness in disclosing material and relevant information regarding the Company;
- 2. accountability, means the clarity of the function, implementation, and accountability of the Organs of the Company so that the management of the Company is carried out effectively;
- 3. responsibility, means the conformity in the management of the Company to the laws and for the laws and the laws and the laws and the laws are selected at the second term of the laws are selected at the second term of the laws are selected at the second term of the laws are selected at the second term of the laws are selected at the second term of the laws are selected at the second term of the laws are selected at the second term of the laws are selected at the second term of the laws are selected at the second term of the laws are selected at the second term of the laws are selected at the second term of the laws are selected at the second term of term of

CHAPTER V

CORPORATE GOVERNANCE POLICY

5.1. LTP and CWPB policies

The Board of Directors is obliged to design, prepare, and implement the LTP and CWPB to achieve the targets specified in the SOE Road Map and increase the Company's efficiency and productivity. Ratification of the LTP and CWPB is carried out by referring to the applicable laws and regulations, and the Board of Commissioners is obliged to supervise the implementation of the LTP and CWPB.

Amendments to the LTP may be made if based on the evaluation results there are

- 1. fundamental changes in the global, national, and industrial external conditions as well as significant changes in the Company's internal conditions;
- 2. changes to the Company's development policies; and/or
- 3. government assignments and/or policies.

Amendments to the CWPB may be made with the consideration that must be fulfilled, namely

PT Semen Indonesia (Persero) Tbk. South Quarter Tower A Lt. 19-20 Jl. RA Kartin

donesia p. +62 21 5261174-5 f. +62 21 5261176 4ww.sig.id

the internal and external conditions that significantly affect the Company's operations;

- the changes to Company's development policies; and/or
- 3. the government assignments and/or policies.

5.2. Risk Management Policy

The Company is required to implement Risk Management effectively, which includes at least:

- the active management by the Board of Directors and supervision by the Board of Commissioners;
- 2. the adequacy of Risk Management policies and standard procedures as well as the determination of Risk strategies;
- 3. the adequacy of the identification, measurement, treatment, recording, monitoring, evaluation and reporting processes as well as the Risk Management information systems; and
- 4. the comprehensive internal control system.

In implementing Risk Management, the Company is required to implement a three-line model of risk PT Semen Indonesia (Persero) Tbk. South Quarter Tower A Lt. 19-20 JI. RA Kartini

governance and Integrated Governance in accordance with the applicable laws and regulations.

5.3. Internal Control System Implementation Policy of the Company

The Board of Directors is obliged to establish an effective internal control system to safeguard the Company's investments and assets, which consists of:

- an Internal Control environment which is implemented in a disciplined and structured manner, which consists of:
 - a. integrity, ethical values, and competence of the employees;
 - b. philosophy and management style;
 - c. the method taken by the management in carrying out its authority and responsibility;
 - d. organisation and development of human
 resources; and
 - e. attention and direction carried outby the Board of Directors;
- 2. Control Activities;
- 3. Information and Communication Systems; and
- 4. monitoring,

PT Semen Indonesia (Persero) Tbk.

in accordance with the applicable laws and regulations.

5.4. Internal Monitoring Implementation Policy

The Board of Directors carries out internal monitoring by establishing an IAU and creating an Internal Audit Charter.

The internal monitoring is carried out by:

- 1. the evaluation of the effectiveness of the implementation of internal control, Risk Management, and corporate governance processes, in accordance with the provisions of the laws and regulations and policies of the Company;
- 2. examination and assessment of the efficiency and effectiveness in the fields of finance, operations, human resources, information technology and other activities;
- 3. IAU is led by a head who is appointed and dismissed by the president director based on the Company's internal mechanism with approval from the Board of Commissioners;
- 4. The Board of Directors is obliged to submit a report on the implementation of the internal

PT Semen Indonesia (Persero) Tbk. South Quarter Tower A Lt. 19-20 Jl. RA Kartini, and Students Construction 2000, Indonesia p. +62 21 5261174-5 f. +62 21 5261176 48 www.sig.id

monitoring function to the Board of Commissioners; and

5. The Board of Directors is obliged to maintain and evaluate the quality of the internal monitoring function.

5.5. Information Technology Governance Policy

The Board of Directors is obliged to implement good Information Technology Governance by compiling, establishing, and evaluating the Information Technology Governance guidelines that cover and have regard to the following aspects:

- 1. strategic alignment;
- added value of the application of information technology;
- 3. Risk Management;
- 4. resource management; and
- 5. performance measurement.

The implementation of Information Technology Governance must have regard to the principles of management, data and information, technology principles and information technology security principles in accordance with the applicable laws and regulations.

222 102 102 sia p. +62 21 5261174-5 f. +62 21 5261176 49ww.sig.id

5.6. Annual Financial Report Audit Policy

The Company's annual financial statements are audited by an External Auditor appointed by the GMS from candidates proposed by the Board of Commissioners, taking into account the recommendations of the audit committee. The audit committee carries out the selection process for the candidates for External Auditors in accordance with the provisions for the procurement of goods and services in the Company, and if necessary, may ask for assistance from the Board of Directors in the appointment process.

The Board of Commissioners is obliged to convey to the GMS the reasons for nominating the External Auditor and the proposed honorarium/remuneration amount. The external auditor must be free from the influence of the Board of Commissioners, the Board of Directors and the interested party in the Company (Stakeholder).

The Company must provide all accounting records and supporting data required by the External Auditor to enable the External Auditor to provide an opinion regarding the fairness, consistency, and conformity of the Company's financial statements with the

PT Semen Indonesia (Persero) Tbk. South Quarter Tower A Lt. 19-20 Jl. RA Karti

p. +62 21 5261174-5 f. +62 21 5261176 www.sig.id

Indonesian Financial Accounting Standards and the applicable laws and regulations.

The Board of Commissioners is obliged to submit information related to the Annual Financial Report Audit work through the management information system of the Ministry of SOE no later than 1 (one) month after the work is completed.

5.7. Internal Reporting Policy

In order to improve the quality of the Board of Directors' decision-making process and the quality of the supervision process by the Board of Commissioners, the Company is obliged to ensure the availability and adequacy of internal reporting supported by an adequate management information system.

5.8. Company Information Policy

5.8.1. Information Access

The Board of Commissioners and Board of Directors must ensure that the External Auditor, internal auditor, and audit committee, as well as other committees, have access to the accounting records, supporting data, and information regarding the Company,

PT Semen Indonesia (Persero) Tbk. South Quarter Tower A Lt. 19-20 JI. RA Kartini Kaw

4-+62 21 5261174-5 f. +62 21 5261176 www.sig.id

so long as necessary to carry out their duties.

5.8.2. Confidentiality of Company Information

In connection with the confidentiality of Company information, unless required by the laws and regulations, the Articles of Association of the Company and/or the Company's internal policies, the External Auditor, internal auditor, and audit committee, as well as other committees, must keep confidential the information obtained while carrying out their duties.

The Board of Commissioners and Board of Directors are responsible to the Company for maintaining the confidentiality of Company information in accordance with the provisions of the applicable laws and regulations and/or the Company's internal policies.

5.8.3. Information Disclosure

Companies are required to carry out information disclosure in a timely, accurate, clear, and objective manner and have disclosure and transparency policies and

). Indo wsig b. +62 21 5261174-5 f. +62 21 5261176 www.sig.id

procedures that ensure the disclosure of material information and safeguard sensitive information and corporate secrets in accordance with the provisions of the applicable laws and regulations.

5.8.4. Personal Data Protection

The Company is obliged to protect and ensure the security of the personal data managed by the Company in accordance with the provisions of the applicable laws and regulations regarding personal data protection.

5.9. Business Ethics and Ethical Conduct of the Personnel of the Company

Business ethics and ethical conduct of the Personnel of the Company outlined in the Code of Ethical Conduct as the basis for implementing Good Corporate Governance, is a set of commitments for the Personnel of the Company which are structured to influence, shape, regulate and carry out a conformity of conduct based on ethical sensibility, ethical reasoning, and ethical conduct so that it is in accordance with the Company's work culture in achieving its vision and

mission.

and Board of Directors as well as things that are prohibited.

Company induction programs can be in the form of presentations, meetings, visits to the Company and review of documents or other programs deemed appropriate to the Company where the program is implemented.

5.11. Employee Work Procedure Policy

The Company may draw up a CLA in order to regulate employee work procedures. The validity period of the CLA is a maximum of 2 (two) years as of the time it is signed or otherwise regulated in the CLA. In the event that the CLA negotiations have not reached an agreement, then within 30 (thirty) days the validity period of the CLA expires, it can be extended 1 (one) time for a maximum of 1 (one) year with a written agreement between the Company and the Employees' Union.

The Company considers the Employees to be the Company's main assets who play an important role in the Company's development. Therefore, human resources are managed optimally by the Company to ensure that

PT Semen Indonesia (Persero) Tbk. South Quarter Tower A Lt. 19-20 Jl. RA Kartini Ka

the Company always has superior employees who can be directed to achieve the Company's goals.

5.12. Performance Appraisal and Remuneration System Policy The Company establishes a performance assessment system used to carry out evaluation and analysis and can be used as a basis for awarding reward and punishments on performance achievements.

> The Annual Management Contract is signed by the Board Directors and Board of Commissioners which of contains the Collegial KPI and Individual KPI and serves as a reference in assessing the Company's performance. The Individual KPI is an elaboration of the Collegial KPI in accordance with each Director's duties, functions, and responsibilities. Both Collegial KPI and Individual KPIs are fulfilled fairly, transparently, and independently using key performance indicators that determined are by considering the aspects of relevance, measurable, comparable, comprehensive, and reasonable.

> KPI achievement is one of the Company's considerations in providing bonuses/performance incentives to the Board of Directors and Board of Commissioners based on the GMS determination. The Company has a remuneration system that is established

> > OE

CHAPTER VII

MEASUREMENT OF THE IMPLEMENTATION OF

GOOD CORPORATE GOVERNANCE

7.1. Appointment of Assessor

In principle, the assessment is carried out by independent assessor appointed by the Board of Commissioners through a process in accordance with the provisions for procurement of goods and services in the Company, and if necessary, may request for assistance from the Board of Directors in the appointment process. If it is deemed more effective and efficient, the assessment may be carried out using the services of a government agency that is competent in the field of Good Corporate Governance, whose appointment is made by the Board of Directors through direct appointment.

7.2. Preparation of Assessment

OF

EMAH

Before carrying out the Assessment on the implementation of Good Corporate Governance, it is preceded by the action of socialising Good Corporate Governance in the Company. The independent Assessor signs a work contract/agreement with the Company which at least contains the rights and obligations of

No. +62 21 5261174-5 f. +62 21 5261176 Www.sig.id

each party, including the time period and implementation costs.

7.3. Implementation of Assessment

The assessment is carried out in the form of:

- Assessment of the Implementation of Good Corporate Governance; and
- Evaluation of the Implementation of Good Corporate Governance.

The Implementation of the Assessment and Evaluation of the Implementation of Good Corporate Governance is carried out using indicators/parameters determined by the Ministry of SOE. The results of the Assessment and Evaluation of the Implementation of Good Corporate Governance are reported to the GMS at the same time as the submission of the Annual Report.

PT Semen Indonesia (Persero) Tbk.

South Quarter Tower A Lt. 19-20 Jl. RA Kartini Kav. 8, Jakarta Selatan 12430, Indonesia p. +62 21 5261174-5 f. +62 21 5261176

CHAPTER VIII

CLOSING

Good Corporate Governance is a system that guarantees the good management of the company at determining and achieving the purposes of the Company so they must be implemented consistently. The implementation of the Good Corporate Governance Guidelines is expected to ensure that the Company always carries out its business activities in accordance with ethical standards and the principles of Good Corporate Governance.

In connection with the implementation of Good Corporate Governance, the Company procures to do the following

- establish commitment, direct involvement and leadership from the Board of Commissioners and the Board of Directors;
- develop a good company culture as a basis for directing and developing thought patterns and conduct;
- 3. create a healthy organisational climate; and
- 4. implement the Code of Ethical Conduct and other guidelines related to the implementation of Good Corporate Governance;

PT Semen Indonesia (Persero) Tbk. South Quarter Tower A Lt. 19-20 Jl. RA Kartini Kav. 8,

Company continuously improves and develops the implementation of Good Corporate Governance. Commitment and support of all Personnel of the Company and the Stakeholders is the key to the successful implementation of Good Corporate Governance.

If there are changes to the statutory provisions and regulations that are used as a reference in preparing the Good Corporate Governance Guidelines, then the reference shall be made to the changes to the provisions as well as the laws and regulations, until the Good Corporate Governance Guidelines are updated and issued.

PT Semen Indonesia (Persero) Tbk. South Quarter Tower A Lt. 19-20 Jl. RA Kartini Kav. 8, Jak
