

PENGELOLAAN SUMBER DAYA MANUSIA

Human Capital Management

SDM SIG yang Kokoh

Perseroan menyadari, sumber daya manusia (SDM) memiliki peranan dan kontribusi penting dalam menjalankan kegiatan operasional dan pengembangan perusahaan. SDM menjadi pilar SIG dalam mendukung pencapaian visi Perseroan. Untuk terus mengoptimalkan *Human Capital* Perseroan, SIG telah menjalankan *roadmap* transformasi *Human Capital* yang antara lain mencakup:

1. Menetapkan *HC Management Framework* sebagai fondasi transformasi *Human Capital*;
2. Menetapkan *HC life-cycle* dan *single digital platform* dalam *HC infrastructure* yang mendorong percepatan digitalisasi di ranah *Human Capital*;
3. Sentralisasi seluruh Kebijakan dan Prosedur terkait *Human Capital*;
4. Meredefinisi ulang *Human Capital operating model* melalui *shared services model*;
5. Membangun *performance-based culture*, *innovation culture* dan *continuous learning culture* di SIG;
6. Menanamkan nilai-nilai inti (*core values*) AKHLAK di seluruh insan SIG;
7. Mendorong pengembangan talenta melalui *talent development program* dan *talent mobility* antar perusahaan di lingkungan SIG.

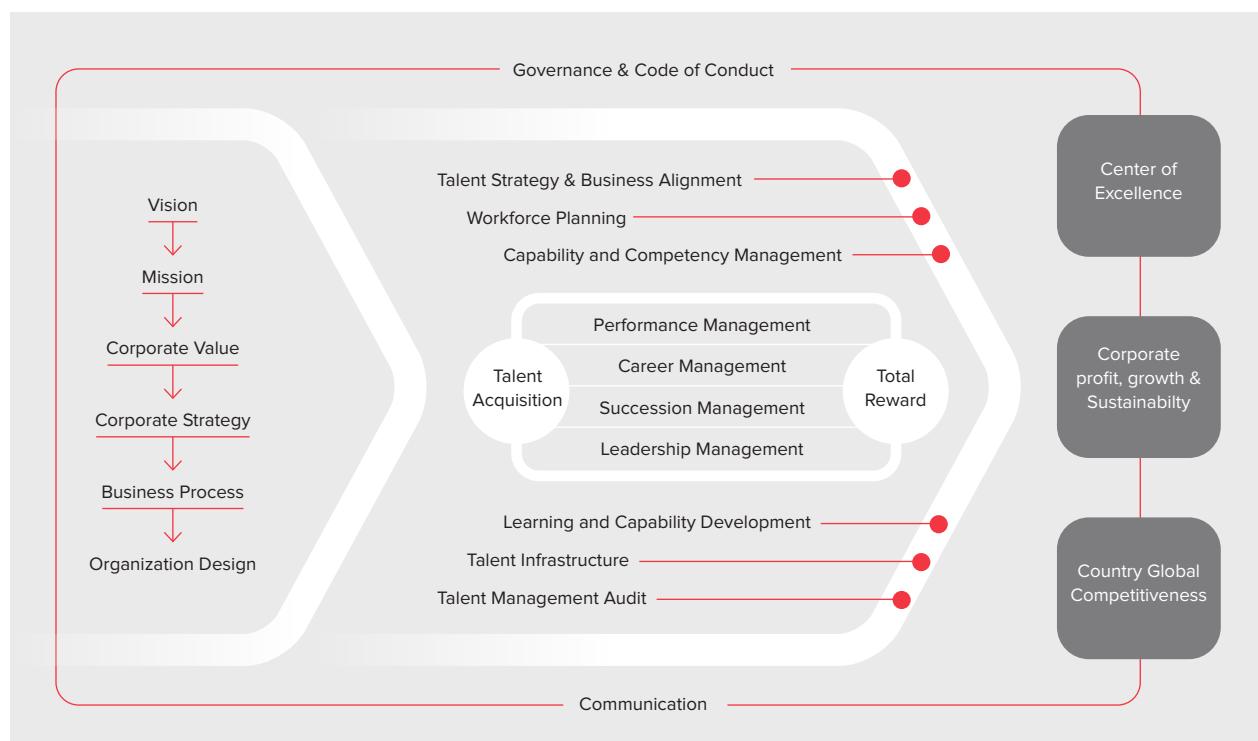

Perseroan menetapkan *HC Management Framework* sebagai fondasi transformasi *Human Capital* melalui Surat Keputusan Direksi PT Semen Indonesia (Persero) Tbk Nomor: 055/Kpts/Dir/2022 tentang Panduan Sistem Manajemen SDM (*Human Capital Management System*) Semen Indonesia Group sebagaimana dituangkan dalam *framework* berikut ini:

SIG's Resilient Human Capital

The company realizes that human capital (HC) has an important role and contribution in carrying out operational activities and company development. HC is a pillar of SIG in supporting the achievement of the Company's vision. To continue to optimize the Company's human capital, SIG has implemented a Human Capital transformation roadmap which includes:

1. Establishing the HC Management Framework as the foundation for Human Capital transformation;
2. Establishing the HC life-cycle and a single digital platform within the HC infrastructure that encourages the acceleration of digitalization in the realm of Human Capital;
3. Centralization of all Policies and Procedures related to Human Capital;
4. Redefining the Human Capital operating model through a shared services model;
5. Building a performance-based culture, innovation culture and continuous learning culture at SIG;
6. Instill core values (core values) of AKHLAK in all SIG people;
7. Encouraging talent development through talent development programs and talent mobility between companies within the SIG environment.

The Company established the HC Management Framework as the foundation for Human Capital transformation through the Decree of the Board of Directors of PT Semen Indonesia (Persero) Tbk Number: 055/Kpts/Dir/2022 about Guidelines for the Human Capital Management System for Semen Indonesia Group as outlined in the following framework:
